

MEET THE CANDIDATE

As a lifelong Belleville resident, I graduated in the top 10% of my class at BTHS East in 2000, *cum laude*. I was a member of the National Honor Society and Treasurer of the BTHS East Chapter of the German National Honor Society.

I hold an Associate's Degree from SWIC, and have enjoyed my positions in Information Technology (IT), Helpdesk Analytics and Facility Account Management. I take pride in my work and constantly seek to learn and grow.

With that, I assure you that my experience with documentation and case management will be to Belleville's benefit.

My desire is to promote confidence and pride in our City.

ABOUT THE OFFICE OF THE CLERK

Your City Clerk holds no voting power in political matters, but exists to ensure checks and balances. The Clerk's primary responsibility is maintaining and organizing city documents, posting public notices and meeting agendas, and providing documents through the Freedom of Information Act (FOIA).

While the Clerk's Office has been working to bring public records into the digital age, I believe much more can be done to make it user-friendly as well. By networking with other Illinois Municipal Clerks, I intend to identify and implement the best practices for the greatest results.

I would love to lend my technological expertise to that goal. To streamline the availability of the common record, and to connect our citizens as a community.
